New Three Mariners

The New Three Mariners situated in one of Wales most romantic, beautiful, weather worn towns (Dylan Thomas haunt and inspiration behind Llareggub in under Milkwood) is one of Wales finest community pubs.

The New Three Mariners boasts 9 en-suite rooms, tastefully renovated, simplistic but clean, comfortable and they contain everything needed for a relaxing stay.

Prices start at £50 for a double room and after one of Richards breakfasts you won't eat again until evening.

Snacks and old fashioned favourites priced from £3.95-£9.95 in our non-smoking area.

Try one of the several local ales or one of 20 whiskeys.

Relax in one of the leather armchairs in front of the open fire and watch the sport on sky or read the newspapers at your disposal.
